CITY OF BELL

CONTRACT SERVICES AGREEMENT FOR

FINANCIAL AUDIT SERVICES

THIS CONTRACT SERVICES AGREEMENT (herein “Agreement”) is made and entered into this 7th day of June, 2013, by and between the CITY OF BELL, a California municipal corporation herein (“City”) and Macias Gini & O'Connell LLP (herein “Contractor”).

NOW, THEREFORE, the parties hereto agree as follows:

1. SERVICES OF CONTRACTOR

1.1 Scope of Services. In compliance with all of the terms and conditions of this Agreement, the Contractor shall perform the work or services set forth in the “Scope of Services” attached hereto as Exhibit “A” and incorporated herein by reference. Contractor warrants that it has the experience and ability to perform all work and services required hereunder and that it shall diligently perform such work and services in a professional and satisfactory manner.

1.2 Compliance With Law. All work and services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental agency of competent jurisdiction.

1.3 Licenses, Permits, Fees and Assessments. Contractor shall obtain at its sole cost and expense such licenses, permits, and approvals as may be required by law for the performance of the services required by the Agreement.

1.4 Warranty. The Contractor shall adopt reasonable methods during the life of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and/or other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the work by City, except such losses or damages as may be caused by City’s own negligence. Contractor warrants all work under the Agreement to be of good quality and free from any defective or faulty material and workmanship. Contractor agrees that for a period of one year (or the period of time specified elsewhere in the Agreement or in any guarantee or warranty provided by any manufacturer or supplier of equipment or materials incorporated into the work, whichever is later) after the date of final acceptance, Contractor shall within ten (10) days after being notified in writing by the City of any defect in the work or nonconformance of the work to the Agreement, commence and prosecute with due diligence all work necessary to fulfill the terms of the warranty at his sole cost and expense. The 1-year warranty may be waived in Exhibit “A” if the services hereunder do not include construction of any improvements or the supplying of equipment or materials.
2. COMPENSATION

2.1 Contract Sum. For the services rendered pursuant to this Agreement, Contractor shall be compensated in accordance with the “Schedule of Compensation” attached hereto as Exhibit “B” and incorporated herein by this reference, but not exceeding the maximum contract amount of Sixty Thousand Dollars ($60,000) (“Contract Sum”).

2.2 Invoices. Each month Contractor shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City’s Director of Finance. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories.

City shall independently review each invoice submitted by the Contractor to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Contractor which are disputed by City. City will use its best efforts to cause Contractor to be paid within forty-five (45) days of receipt of Contractor’s correct and undisputed invoice. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Contractor for correction and resubmission.

2.3 Additional Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Contractor, incorporating therein any adjustment in (i) the Contract Sum, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Contractor. Any increase in compensation of up to ten percent (10%) of the Contract Sum but not exceeding a total contract amount of $6,000 or in the time to perform of up to forty-five (45) days may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively must be approved by the City.

2.4 Prevailing Wages. Contractor is aware of the requirements of California Labor Code Section 1720, et seq., and 1770, et seq., as well as California Code of Regulations, Title 8, Section 1600, et seq., (“Prevailing Wage Laws”), which require the payment of prevailing wage rates and the performance of other requirements on “Public Works” and “Maintenance” projects. If the Services are being performed as part of an applicable “Public Works” or “Maintenance” project, as defined by the Prevailing Wage Laws, and if the total compensation is $1,000 or more, Contractor agrees to fully comply with such Prevailing Wage Laws. Contractor shall determine the applicable prevailing rates and make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to execute the Services available to interested parties upon request, and shall post copies at the Contractor’s principal place of business and at the project site. Contractor shall defend, indemnify and hold the City, its elected officials, officers, employees and agents free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws. The provisions of this Section may be waived in Exhibit “A” if inapplicable to the services provided hereunder.
3. PERFORMANCE SCHEDULE

3.1 Time of Essence. Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance. Contractor shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the “Schedule of Performance” attached hereto as Exhibit “C” and incorporated herein by this reference. When requested by the Contractor, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding thirty (30) days cumulatively.

3.3 Force Majeure. The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the Agency, if the Contractor shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer’s determination shall be final and conclusive upon the parties to this Agreement. In no event shall Contractor be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Contractor’s sole remedy being extension of the Agreement pursuant to this Section.

3.4 Inspection and Final Acceptance. City may inspect and accept or reject any of Contractor’s work under this Agreement, either during performance or when completed. City shall reject or finally accept Contractor’s work within forty five (45) days after submitted to City. City shall accept work by a timely written acceptance, otherwise work shall be deemed to have been rejected. City’s acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any work by City shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to, Article 5, pertaining to indemnification and insurance, respectively.

3.5 Term. Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding Sixty (60) days from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit “C”).
4. COORDINATION OF WORK

4.1 Representative of Contractor. James V. Godsey is hereby designated as being the representative of Contractor authorized to act in its behalf with respect to the work and services specified herein and make all decisions in connection therewith. All personnel of Contractor and any authorized agents shall be under the exclusive direction of the representative of Contractor. Contractor shall make every reasonable effort to maintain the stability and continuity of Contractor’s staff and subcontractors, and shall keep City informed of any changes.

4.2 Contract Officer. Josh Betta is hereby designated as being the representative the City authorized to act in its behalf with respect to the work and services specified herein and to make all decisions in connection therewith ("Contract Officer"). The Chief Administrative Officer of City shall have the right to designate another Contract Officer by providing written notice to Contractor.

4.3 Prohibition Against Subcontracting or Assignment. Contractor shall not contract with any entity to perform in whole or in part the work or services required hereunder without the express written approval of the City. Neither this Agreement nor any interest herein may be assigned or transferred, voluntarily or by operation of law, without the prior written approval of City. Any such prohibited assignment or transfer shall be void.

4.4 Independent Contractor. Neither the City nor any of its employees shall have any control over the manner, mode or means by which Contractor, its agents or employees, perform the services required herein, except as otherwise set forth. Contractor shall perform all services required herein as an independent contractor of City with only such obligations as are consistent with that role. Contractor shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City, or that it is a member of a joint enterprise with City.

5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages. The Contractor shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) Comprehensive General Liability Insurance (Occurrence Form CG0001 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, either the general aggregate limit shall apply separately to this contract/location, or the general aggregate limit shall be twice the occurrence limit.

(b) Worker’s Compensation Insurance. A policy of worker’s compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both the Contractor and the City against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Contractor in the course of carrying out the work or services contemplated in this Agreement.
(c) Automotive Insurance (Form CA 0001 (Ed 1/87) including “any auto” and endorsement CA 0025 or equivalent). A policy of comprehensive automobile liability insurance written on a per occurrence for bodily injury and property damage in an amount not less than either (i) bodily injury liability limits of $100,000 per person and $300,000 per occurrence and property damage liability limits of $150,000 per occurrence or (ii) combined single limit liability of $1,000,000. Said policy shall include coverage for owned, non-owned, leased and hired cars.

All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents shall apply in excess of, and not contribute with Contractor’s insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Contractor shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until the Contractor has provided the City with Certificates of Insurance or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City.

The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated “A” or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the City’s Interim Chief Administrative Officer or other designee of the City due to unique circumstances.

5.2 Indemnation. To the full extent provided by law, Contractor agrees to indemnify, defend and hold harmless the City, its officers, employees and agents against, any and all actions, suits, claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities, including paying any legal costs, attorneys fees, or paying any judgment (herein “claims or liabilities”) that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work or services of Contractor, its officers, agents, employees, agents, subcontractors, or invitees, provided for herein ("indemnitors"), or arising from Contractor’s indemnitors’ negligent performance of or failure to perform any term, provision, covenant, or condition of this Agreement, except claims or liabilities to the extent caused by the negligence or willful misconduct of the City indemnitees.

5.3 General Insurance Requirements. All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents shall apply in excess of, and not contribute with Contractor’s insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Contractor shall, prior to the cancellation date, submit new evidence of insurance.
in conformance with Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until the Contractor has provided the City with Certificates of Insurance or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records. Contractor shall keep, and require subcontractors to keep, such ledgers books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the “books and records”), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services and shall keep such records for a period of three years following completion of the services hereunder. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records.

6.2 Reports. Contractor shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement or as the Contract Officer shall require.

7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California.

7.2 Disputes: Default. In the event that Contractor is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Contractor for any work performed after the date of default. Instead, the City may give notice to Contractor of the default and the reasons for the default. The notice shall include the timeframe in which Contractor may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, if circumstances warrant. During the period of time that Contractor is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. If Contractor does not cure the default, the City may take necessary steps to terminate this Agreement under this Article.

7.3 Legal Action. In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or
different times, of any other rights or remedies for the same default or any other default by the other party.

7.4 Termination Prior to Expiration of Term. This Section shall govern any termination of this Contract except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Contract at any time, with or without cause, upon thirty (30) days’ written notice to Contractor, except that where termination is due to the fault of the Contractor, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, the Contractor reserves the right to terminate this Contract at any time, with or without cause, upon sixty (60) days’ written notice to Agency, except that where termination is due to the fault of the Agency, the period of notice may be such shorter time as the Contractor may determine. Upon receipt of any notice of termination, Contractor shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Contractor has initiated termination, the Contractor shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer. In the event the Contractor has initiated termination, the Contractor shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder, but not exceeding the compensation provided therefore in the Schedule of Compensation Exhibit “B”. In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.5 Termination for Default of Contractor. If termination is due to the failure of the Contractor to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Contractor for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

8. MISCELLANEOUS

8.1 Covenant Against Discrimination. Contractor covenants that, by and for itself, its heirs, executors, assigns and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color creed, religion, sex, marital status, national origin, or ancestry in the performance of this Agreement. Contractor shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color creed, religion, sex, marital status, national origin, or ancestry.
8.2 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Contractor, or any successor in interest, in the event of any default or breach by the City or for any amount, which may become due to the Contractor or to its successor, or for breach of any obligation of the terms of this Agreement.

8.3 Notice. Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the Chief Administrative Officer and to the attention of the Contract Officer, at City of Bell City Hall, 6330 Pine Avenue, Bell, California 90201 and in the case of the Contractor, to the person at the address designated on the execution page of this Agreement.

8.4 Integration; Amendment. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

8.5 Severability. In the event that part of this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

8.6 Waiver. No delay or omission in the exercise of any right or remedy by non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party’s consent to or approval of any act by the other party requiring the party’s consent or approval shall not be deemed to waive or render unnecessary the other party’s consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.7 Attorneys’ Fees. If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which any be granted, whether legal or equitable, shall be entitled to reasonable attorney’s fees, whether or not the matter proceeds to judgment.

8.8 Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound.

LIST OF PROCEDURES FOR DUE DILIGENCE REVIEW

General information regarding these procedures:

1. The procedures associated with Sections 34179.5(c)(1) through 34179.5(c)(3) and Sections 34179.5(c)(5) through 34179.5(c)(6) are to be applied separately to (a) the Low and Moderate Income Housing Fund of the Successor Agency and to (b) all other funds of the Successor Agency combined (excluding the Low and Moderate Income Housing Fund).

2. Because the procedures required by Section 34179.5(c)(4) pertain to the Successor Agency as a whole, these procedures should be addressed in the report that is associated with all other funds of the Successor Agency combined.

Fiscal year references below refer to fiscal years ending on June 30. This language should be modified for those agencies that have a different fiscal year-end.

For purposes of the procedures below and the related exhibits, the amount of the assets presented should be based upon generally accepted accounting principles (GAAP), unless otherwise noted.

To the extent the procedures listed below are duplicative to the agreed upon procedures that were performed pursuant to HSC 34182 (a)(1), it is acceptable to obtain and use information from the HSC 34182 (a)(1) procedures for purposes of this due diligence review without having to reperform the procedures. When this is done, the due diligence report should refer to the report that was issued for the agreed upon procedures performed under HSC 34182 (a)(1).

Certain assets may qualify as a deduction under more than one category of deduction. In such cases, care should be taken to ensure that such assets have been included as a deduction in the summary schedule only once.

Suggested Procedure(s):

4. Perform the following procedures:

   A. Obtain from the Successor Agency a summary of the financial transactions of the Redevelopment Agency and the Successor Agency in the format acceptable by the State Department of Finance for the fiscal periods indicated in the schedule. For purposes of this summary, the financial transactions should be presented using the modified accrual basis of accounting. End of year balances for capital assets (in total) and long-term liabilities (in total) should be presented at the bottom of this summary schedule for information purposes.
B. Ascertain that for each period presented, the total of revenues, expenditures, and transfers accounts fully for the changes in equity from the previous fiscal period.

C. Compare amounts in the schedule relevant to the fiscal year ended June 30, 2010 to the state controller’s report filed for the Redevelopment Agency for that period.

D. Compare amounts in the schedule for the other fiscal periods presented to account balances in the accounting records or other supporting schedules. Describe in the report the type of support provided for each fiscal period.

(A) A statement of the total value of each fund as of June 30, 2012.

Suggested Procedure(s):

5. Obtain from the Successor Agency a listing of all assets of the Low and Moderate Income Housing Fund as of June 30, 2012 for the report that was due October 1, 2012 and a listing of all assets of all other funds of the Successor Agency as of June 30, 2012 (excluding the previously reported assets of the Low and Moderate Income Housing Fund) for the report that was due December 15, 2012. When this procedure is applied to the Low and Moderate Income Housing Fund, the schedule attached as an exhibit will include only those assets of the Low and Moderate Income Housing Fund that were held by the Successor Agency as of June 30, 2012 and will exclude all assets held by the entity that assumed the housing function previously performed by the former redevelopment agency. Agree the assets so listed to recorded balances reflected in the accounting records of the Successor Agency. The listings should be attached as an exhibit to the appropriate AUP report.

34179.5(c)(5)(B) An itemized statement listing any amounts that are legally restricted as to purpose and cannot be provided to taxing entities. This could include the proceeds of any bonds, grant funds, or funds provided by other governmental entities that place conditions on their use.

Suggested Procedure(s):

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012 that are restricted for the following purposes:

   A. Unspent bond proceeds:
i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures, amounts set aside for debt service payments, etc.)

ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).

iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.

B. Grant proceeds and program income that are restricted by third parties:

i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).

ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).

iii. Obtain from the Successor Agency a copy of the grant agreement that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.

C. Other assets considered to be legally restricted:

i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).

ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).

iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by Successor the Agency as restricted.

D. Attach the above mentioned Successor Agency prepared schedule(s) as an exhibit to the AUP report. For each restriction identified on these schedules, indicate in the report the period of time for which the restrictions are in effect. If the restrictions are in effect
until the related assets are expended for their intended purpose, this should be indicated in the report.

34179.5(c)(5)(C) An itemized statement of the values of any assets that are not cash or cash equivalents. This may include physical assets, land, records, and equipment. For the purpose of this accounting, physical assets may be valued at purchase cost or at any recently estimated market value. The statement shall list separately housing-related assets.

Suggested Procedure(s):

7. Perform the following procedures:

A. Obtain from the Successor Agency a listing of assets as of June 30, 2012 that are not liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.

B. If the assets listed at 7(A) are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.

C. For any differences noted in 7(B), inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.

D. If the assets listed at 7(A) are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

34179.5(c)(5)(D) An itemized listing of any current balances that are legally or contractually dedicated or restricted for the funding of an enforceable obligation that identifies the nature of the dedication or restriction and the specific enforceable obligation. In addition, the successor agency shall provide a listing of all approved enforceable obligations that includes a projection of annual spending requirements to satisfy each obligation and a projection of annual revenues available to fund those requirements. If a review finds that future revenues together with dedicated or restricted balances are insufficient to fund future obligations and thus retention of current balances is required it shall identify the amount of current balances necessary for retention. The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the successor agency, together with both the amount and
Timing of the bond debt service payments of the successor agency, for the period in which the oversight board anticipates the successor agency will have insufficient property tax revenue to pay the specified obligations.

Suggested Procedure(s):
8. Perform the following procedures:

A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.

   i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.

   ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.

   iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.

   iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:

   i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.

   a. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.

iii. For the forecasted annual revenues:

   a. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.

C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.

   i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.

   ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.

   iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.

D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.

   i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.

   ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.

   iii. Include the calculation in the AUP report.

34179.5(c)(5)(E) An itemized list and analysis of any amounts of current balances that are needed to satisfy obligations that will be placed on the Recognized Obligation Payment Schedules for the current fiscal year.

Suggested Procedure(s):

9. If the Successor Agency believes that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

34179.5(c)(6) The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the successor agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.

Suggested Procedure(s):

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).
Suggested Procedure(s):

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179 .5) from either the former redevelopment agency or the Successor Agency to other parties for the period from January 1, 2011 through June 30, 2012 that have not been properly identified in the AUP report and its related exhibits. Management's refusal to sign the representation letter should be noted in the AUP report as required by attestation standards.
