

6 Stay Safe Tips:

1. Make sure your parents know where you are and memorize numbers where you can contact them at all times.
2. Avoid danger. Stay away from empty buildings, alleys and any other dangerous areas.
3. Play with friends when you can, there is safety in numbers.
4. Use good judgement. Don't ever do anything that makes you feel uncomfortable.
5. Be aware. If you see a strange car or person circling around your block, tell an adult right away.
6. Never talk to strangers, take anything from them or go anywhere with them. If a stranger comes up to you, tell an adult or find a safe house right away.
