He then spoke of the purpose of creating a LRPMP which is to address the disposition and use of the properties owned by the former redevelopment agency. He indicated that the Successor Agency to the Bell Community Redevelopment Agency is currently the owner of 6 properties, comprised of 11 parcels. He noted that two of those properties are considered governmental use properties which, if approved by the DOF, can be transferred to the City and no further action will be needed. He then provided a detailed description of the properties and the proposed action to be taken for each of the properties. Finally, he stated that the Oversight Board and DOF must approve the sale of properties before they are sold.

Board Member Vasquez inquired if potential buyers would know the time length of time needed to finalize any property sales.

Mr. Perez responded that we will disclose the approval process to all potential buyers.

A discussion ensued amongst the Board Members and Staff.

Mr. Perez spoke about the marketing strategies to attract a better development and higher sale value. He also spoke of an offering memorandum that was posted on the website for one site listed under the LRPMP.

Further discussion ensued amongst the Board Members and Staff.

1. Consideration of Resolution No. 2015-01 OB approving a general Fund “Shortfall Loan” to the Successor Agency Trust Fund in the amount of $1,254,680.

Community Development Director Joe Perez provided a report on the item and noted that this item was previously approved by the Oversight Board but after it was submitted to the DOF they requested changes to the resolution to provide more background on the shortfall. Mr. Perez indicated the changes to the resolution and recommended that the Oversight Board approve the resolution.

Chair Romero inquired if there was any jeopardy when submitting this to the DOF.

Board member Vasquez inquired if the City Council approved the revised resolution.
Mr. Perez responded that the DOF does not require the City Council or the Successor Agency approve the resolution since they already approved the loan.

Ms. Jane Carlson stated that this resolution will allow the City to get repaid through the ROPS process.

Board Member Giron inquired if the dollar amount will change on the ROPS from the first set to the most recent and asked for clarification on the process of the ROPS.

In response to Board member Giron inquiry, Ms. Carlson clarified the ROPS process and said the loan repayment amount will fluctuate according to the approved repayment schedule.

SUBJECT: Approval of the Successor Agency's Recognized Obligation Payment Schedule 15-16A for the July 1 through December 31 2015 Period and Approval of the Successor Agency's Administrative Budget for Fiscal Year 2015-16.

RECOMMENDATION

It is recommended that the Oversight Board:

1. Adopt Resolution No. 2015-02 OB approving the Recognized Obligation Payment Schedule 15-16A for the July 1 through December 31, 2015 period and authorizing its transmittal; and

DISCUSSION

Assembly Bill ("AB") x1 26, amended by AB 1484 and codified in the California Health & Safety Code ("H&SC") requires successor agencies to adopt a Recognized Obligation Payment Schedule ("ROPS") before each six-month fiscal period. A ROPS covering the period of July 1, 2015 through December 31, 2015 ("ROPS 15-16A") is due by March 3, 2015 to the Department of Finance ("DOF") pursuant to H&SC Section 34177(m). The ROPS projects necessary payments for each enforceable obligation of the former Bell Community Redevelopment Agency for each six-month period.

HSC Section 34177(j) also requires the Successor Agency to prepare an Administrative Budget and submit it to the Oversight Board for approval. The Administrative Budget includes the proposed administrative expenditures for Fiscal Year 2015-16. The Successor Agency anticipates needing the entire $250,000 minimum annual administrative allocation described in HSC Section 34171 (b). The Successor Agency is requesting $125,000 for ROPS 15-16A and $125,000 for ROPS 2015-16B.
Two resolutions have been prepared for Oversight Board consideration:

1. Adopting ROPS 15-16A

2. Adopting the Administrative Budget for Fiscal Year 2015-16

Both resolutions are attached to this agenda report. If the Administrative Budget and ROPS 15-16A is approved by the Oversight Board, Staff will transmit them electronically to the Department of Finance, State Controller, and Los Angeles County Auditor-Controller for their review. Please keep in mind that the Oversight Board-approved ROPS must be transmitted by March 3, 2015; if it is not transmitted on time the Successor Agency will be subject to a penalty of $10,000 per day. With DOF approval, the Auditor-Controller will be authorized to disperse property tax revenue to pay ROPS obligations on June 2, 2015.

The items on the ROPS 15-16A are substantially the same as those included on the prior ROPS approved by the Oversight Board. The main changes since the last ROPS include:

Repayment of City Loan to Cover October 2011 Debt Service Payment
On September 26, 2014, the Successor Agency approved a loan agreement and promissory note between the City of Bell and the Bell Successor Agency to eliminate a carryover cash deficit that would have prohibited the Successor Agency from making its October 1, 2014 debt service payment as well as other enforceable obligations listed on ROPS 14-15A. Following Oversight Board approval, DOF approved the Loan Agreement on February 3, 2015.

Per the approved repayment schedule, the Successor Agency owes the City of Bell $400,000 plus interest during fiscal year 2015-16. The Successor Agency is requesting $400,960 on ROPS 15-16A to make the entire fiscal year 2015-16 loan payment due to the City. The Successor Agency chose to request the full fiscal year amount on ROPS 15-16A instead of splitting the repayment between ROPS 15-16A and 15-16B because the Successor Agency has typically received about 55% of its annual RPTTF distribution during the “A” ROPS cycle. Requesting the entire fiscal year payment on ROPS 15-16A, when the Successor Agency should have additional funding available, ensures the City receives the full payment due.

The approved Loan Repayment Schedule has the Successor Agency repaying the City in full within in three years. If RPTTF revenues continue to remain at their current levels or increase, the Successor Agency may be able to repay the City Loan sooner than fiscal year 2017-18. During each upcoming ROPS cycle, the Successor Agency will carefully review its cash flow and projected revenues to determine if pre-payment on the Loan is feasible.

Repayment of SERAF Loans
The former Redevelopment Agency borrowed money from its Low and Moderate Income Housing Fund to make two statewide Supplemental Educational Revenue Allocation Fund (SERAF) payments imposed by the State in 2009-10 and 2010-11. The total outstanding amounts due are $1,033,669 and $211,850 respectively. Pursuant to H&SC Section 34171(d)(1)(G) and 34191.4(b), the Successor Agency can repay these loans once it has received its Finding of Completion. However, the maximum annual payment amount is subject to a formula that compares the residual RPTTF distributed to the taxing entities in 2012-13 to the residual RPTTF distributed to the taxing entities in the previous fiscal year, which in this case is 2014-15.
The Successor Agency received its Finding of Completion in September 2014 so it can now make payments on the SERAF loans. Pursuant to the repayment formula, the maximum annual payment amount allowed in 2015-16 is $98,010. The Successor Agency is requesting funding for the entire fiscal year 2015-16 SERAF Loan payment in ROPS 15-16A for the same reasons discussed above. The Successor Agency receives more RPTTF in the “A” ROPS cycle and frontloading payments such as these ensures they will be paid.

Should the Successor Agency receive funding for this obligation, the payment must be made to the Low and Moderate Income Housing Asset Fund and must be used in a manner consistent with the affordable housing requirements of the Community Redevelopment Law and the newly enacted SB 341.

Potential Litigation – Jack’s Carwash
The Successor Agency and City may choose to pursue litigation against Jack’s Carwash for unpaid past rent payments. The Successor Agency is requesting funding for this litigation in the amount of $30,000.

If the RPTTF distribution for ROPS 15-15A is similar to previous distributions for prior ROPS periods, the projected property tax revenue that the Successor Agency should receive on or around June 3, 2015 from the County of Los Angeles will cover the amounts needed to pay for enforceable obligations listed on ROPS 15-16A.

TO: Honorable Oversight Board Members

FROM: Successor Agency Staff

APPROVED BY: [Signature] Doug Willmore, City Manager

SUBJECT: Approval of a Supplemental Educational Revenue Augmentation Fund Loan Repayment Schedule

RECOMMENDATION

It is recommended that the Oversight Board adopt Resolution No. 2015-04 OB approving a repayment schedule for the Supplemental Education Revenue Augmentation Fund (SERAf) loans.

SUMMARY REPORT

The Successor Agency to the Bell Community Redevelopment Agency (Successor Agency) is performing its functions under the Dissolution Act, Parts 1.8 and 1.85 of the Health and Safety Code (HSC), as amended by Assembly Bill 1484 chaptered June 27, 2012, to administer the enforceable obligations and otherwise unwind the former Bell Community Redevelopment Agency's affairs, all subject to the review and approval by the seven-member Oversight Board.

Pursuant to HSC Section 34176(e)(6)(B), a Successor Agency may begin repaying loans or deferrals owed to the Low and Moderate Income Housing Fund once it receives a Finding of Completion, but not before fiscal year 2013-14. The Successor Agency received its Finding of Completion on September 5, 2015.

The maximum repayment amount authorized each fiscal year for SERAF or other City Loans is equal to one-half of the increase between the residual balance distributed to taxing entities after all enforceable obligations have been paid in the current fiscal year and the residual balance distributed to taxing entities in the 2012-13 fiscal year. The Successor Agency has two outstanding SERAF loans, one from 2009-10 for $1,033,669, and the other from 2010-11 for $211,850. Please see below for a calculation of the SERAF payment that has been included in Recognized Obligation Payment Schedule (ROPS) 15-16A. It is important to note that the repayment schedule is based on projected future revenue, and as such, is subject to change depending on actual revenue received.

</tbody>
</table>

After the Successor Agency successfully repays the two SERAF Loans, they may begin repaying any outstanding loans between the City and former Community Redevelopment Agency (City/RDA Loans). If estimates of future revenues are accurate, the Successor Agency should be able to start repaying the City/RDA loans around fiscal year 2019-20.

The Successor Agency recommends that the Oversight Board adopt the attached Resolution approving the SERAF Loan Repayment Schedule and authorize the Successor Agency to include the 2015-16 SERAF Loan Payment on ROPS 15-16A.

### FISCAL IMPACT

Should the Oversight Board choose to approve the SERAF loan repayment schedule, the 2015-16 payment amount will be placed on ROPS 15-16A. This will increase the Successor Agency’s total ROPS obligations and ultimately reduce the amount of residual money available for affected taxing entities until the loan is completely paid off.
