MEMORANDUM

To: Honorable Mayor and Members of the City Council
From: Howard W. Brown, Jr., City Manager
CC: City Department Directors
Date: May 8, 2017
Re: Bi-Monthly Update and Report (week ending April 29, 2017)

Upcoming Meetings

- Wednesday, May 24, 2017 – Regular City Council Meeting: Closed Session at 6:00p.m. and Open Session at 7:00 p.m.

Administration

- The Department of Toxic Substances Control's (DTSC) Draft Remedial Action Plan (RAP) and the Draft Environmental Impact Report (EIR) were released for public review and comment on December 2016. During the 60-day public comment period, DTSC received approximately 1000 comments from 248 commenters in response to these drafts. The top three comments they received were: the Preliminary Investigation Area (PIA) boundaries should be expanded, health impacts from prior exposure to residents should be addressed through a comprehensive plan, and community centers should be established in the PIA and run by local community organizations and activists. For more information please see the Exide Advisory Group Newsletter attached.

- The City Manager sent out a letter of support to the City of South Gate for their application to the Urban Greening Program grant that will help their efforts to reduce greenhouse gas emissions through the sequestering and storing of carbon along Garfield Avenue and Long Beach Boulevard.

- The City Manager's Office received correspondence from the Los Angeles County Emergency Medical Services Agency in regards to the new allowable maximum rates chargeable to the general public. These new allowable maximum rates will be effective starting July 1, 2017. Letter attached.

- I attended the American Planning Association Annual Conference in New York City from Friday, May 5, 2017 – Tuesday, May 9, 2017.

- I will be attending the California Contract Cities 58th Annual Municipal Seminar at Indian Wells, CA from Friday, May 12, 2017 – Saturday, May 13, 2017.
Human Resources

- **Community Development Director:** Interviews are scheduled for Wednesday, May 17, 2017.
- **Recreation Leader 1:** (Eight positions) Interviews are scheduled for Thursday, May 11, 2017.
- **Recreation Leader 2:** (Four positions) Interviews scheduled for Tuesday, May 9, 2017.

Contracts & RFPs

The following contracts will be up for discussion at the May 24, 2017 Council meeting:

- Interwest Consulting Group – City Engineering Services (expires on 6/30/17)
- American Guard Services - Crossing Guard Services (expires on 6/30/17)
- Bell House Agreement (expires on 6/30/17)
- Carl Warren - Liability Claims Administration (expires on 8/1/17)
- MDG-LDM Associates, Inc. – CDBG Program Admin (expires 6/30/17)
- MCE Corporation – Facilities Maintenance (expires on 6/28/17)
- Hinderliter, de Llamas and Associates- HdL - Sales, Use and Transactions Tax audit Information services
- Rosenow Spevacek Group, Inc. – for Successor Agency Administrative Assistance (budget process)

Community Development

- The Planning Commission approved a Conditional Use Permit for a customer wheel and tire shop to be located at 3740 Florence Avenue. This shop is an existing business that was formerly located near Florence and Walker Avenue.
- The Planning Commission conducted a study session on the use of artificial turf within the city. The Commission opted to receive and file the report with no further direction to staff.
- The City is nearing completion of the General Plan Update. Within the next 2 weeks, the City Council and Planning Commission will be given a copy of the draft update to review for approximately a month period prior to any formal action being brought forth for consideration.
- ICSC Las Vegas is nearing for May 22rd and 23rd. Jackie Choi, Economic Development Specialist, is working with our developer in drafting a meeting itinerary and schedule.

Public Works:

- The Public Works Crew will abate the brush growth along the LA River Bikeway west embankment, on River Drive. The Division purchased new commercial grade brush clearing hand power tools, and will be working on the weekends to accomplish this project.
- A preventive maintenance and inventory control program will be established within the Public Works Division to keep track of the investment and service requirements. Existing hand power tools will be
serviced and assessed for continue operation or replacement. Noncommercial power tools will be replaced with commercial power tools over the next few months.

Engineering:

- The City Council will be recommended to award a construction contract to All American Asphalt to perform the Street Rehabilitation FY 16/17 project on the May 10th Council meeting. The project is estimated to start in May 2017 and be completed in July 2017.

- The bi-monthly progress report for capital and special projects is attached.

Code Enforcement:

- On Tuesday, April 25, 2017. The City received a complaint regarding artificial turf in the front yard of 3415 Bell Avenue. Code Enforcement Officer Monroy sent a notice of violation to the property owner for development standards/proper landscaping. The property owner informed the City that he will attend the next Planning Commission meeting to request the Commissioners to allow Bell homeowners to have artificial in yards as landscaping option.

- On Wednesday, April 26, 2017 Bell P. D. requested assistance from Code Enforcement in removing transient belongings from 6232 Atlantic Avenue after the Southern California Edison Project Manager reported that someone was staying at that vacant location.

- On Saturday, April 29, 2017 the City received a complaint regarding bulky items along the 6900 block of Mayflower Avenue. Fredy Cuevas, Republic Services Field Supervisor, informed that Mayflower Avenue was served on Friday, April 28, 2017. However, Republic Services did not pick up debris from one property because those materials are not considered bulky items. CE Officer Daniel confirmed the information provided by Republic Services Supervisor.

Police Department

- On Friday, April 28, 2017 Chief Islas and Detective Baltazar hosted the Neighborhood Watch meeting at the Bell Community Center. The topic of discussion was Office of Traffic & Safety.

Community Services

- Older American Month began Monday, May 1, 2017. The Community Services staff has coordinated activities for our seniors this month. Feel free to drop in at any event and greet our seniors. See flyer for schedule of events.

- Youth soccer games began the week of April 24th with 808 registered participants.

- Youth baseball registrations opened on Monday, April 17, 2017. We currently have 58 registered youth.

- Earth Day took place on Saturday, April 22, 2017 with 185 volunteers for a community clean up event. The scorching sun did not prevent these volunteers from cleaning different areas of the community to include Florence Avenue, Gage Avenue, Randolph Street, the riverbed and our two mobile home parks. The event concluded with a free BBQ for all volunteers and raffle prices.
• The City of Bell in collaboration with Los Angeles County Animal Care & Control and H.E.A.R.T. had the Vaccination and Licensing Clinic on Monday, April 27, 2017. We serviced a total of 53 pets. Canvassing will begin on Wednesday, May 10, 2017.

Finance Department

• The Utility User Tax exemption report was completed and mailed on Friday, April 28, 2017.
• The Chandler Asset Management contract was approved by Council on Wednesday, April 26, 2017.
• The Finance staff is working on the FY 2016-17 audit. The audit team conducted the first “field audit” the week of May 1, 2017.
• The first budget review with the executive team took place Monday, May 1, 2017.
• The warrant run presented at the City Council meetings on April 12th and April 26th paid 670 invoices for a total of $2,601,125.25.

END OF MEMORANDUM
NEXT EXIDE ADVISORY GROUP MEETING

Thursday, May 18, 2017

4:00pm - 6:00pm

MAYWOOD CITY HALL

4319 Slauson Ave

Maywood, CA 90270

TIME CRITICAL REMOVAL ACTION UPDATE

On January 2017, DTSC released a Time Critical Removal Action (TCRA) Guidance document describing the steps that the department will take to evaluate properties on a case-by-case basis to determine if a TCRA is warranted. The guidance document was also presented to the Advisory Group in the same month.

The guidance document applies to residential properties, schools, daycares, child care centers, and parks within the Preliminary Investigation Area (PIA). DTSC’s goal is to ensure that timely and appropriate actions are taken to prevent exposures to sensitive populations. DTSC has made progress in evaluating properties for TCRA actions and has worked with property owners to schedule the cleanups at residences and daycares. To date, DTSC has completed:
• 4 Remedial Actions - in Boyle Heights
• 1 Remedial Action - in East Los Angeles
• 1 Remedial Action - in Maywood

The department is moving forward in working with homeowners and residents to evaluate and schedule these Time Critical Removal Actions.

RESIDENTIAL CLEANUP PLAN UPDATE

The Draft Remedial Action Plan (RAP), also referred to as the Cleanup Plan, and the Draft Environmental Impact Report (EIR) were released for public review and comment on December 14, 2016. During the 60-day public comment period, DTSC held three Public Meetings on January 11, 19, and 28, 2017, respectively. Community members attended to voice their concerns, give verbal comment, and submit written comments about the Draft Cleanup Plan and Draft EIR.

The Public Comment period closed at 5:00 pm on Wednesday, February 15, 2017. DTSC is currently reviewing the public comments, and DTSC will respond in writing to each of the comments received in a Response to Comments document before finalizing the Cleanup Plan and the EIR.

DTSC received approximately 1000 comments from 248 commenters in response to the Draft Cleanup Plan and Draft EIR. The top three comments that were received:

• The PIA boundaries should be expanded
• Health Impacts from prior exposure to residents should be addressed through a comprehensive plan
• Community centers should be established in the PIA and run by local community organizations and activists.

UNDERSTANDING YOUR SOIL SAMPLE RESULTS

During the months of April and May 2017, DTSC scheduled drop-in hours throughout the PIA for residents to get who have received their soil sampling results to speak to a DTSC representative directly about those results.

We have heard from residents in the past that sometimes they have a hard time understanding the technical reports enclosed in the package, therefore we are making an effort to reach residents directly in order to provide assistance. Residents are encouraged to call the DTSC hotline for this service, and now they have opportunities to reach us directly at a site near them. DTSC has also teamed up with the Los Angeles County Department of Public Health in order to provide information on blood lead sample results. DTSC and LA County will hold some joint sessions and speak to residents directly during these drop-in hours. The list of available drop-in hours is provided below.

RESIDENTIAL SAMPLING UPDATE

DTSC has access to 8,412 parcels as of April 20, 2017.

For more information on the sampling and cleanup, please visit www.dtsc.ca.gov/Exide.

MARK YOUR CALENDARS FOR UPCOMING ADVISORY GROUP MEETINGS

Advisory Group Meetings and Public Meetings have already been scheduled for 2017. We are always on the lookout for easily accessible meeting locations in Boyle Heights, East Los Angeles, Vernon, Commerce, Maywood, and Bell. Please contact Manuel Lopez at manuel.lopez@dtsc.ca.gov if you have any suggestions on where we can hold one of our upcoming meetings:

- 
  **2017**
  
  Thursday, May 18 (Advisory Group and Public Meeting)
  Thursday, July 20 (Advisory Group only)
In January 2017, DTSC published a document of Corrective Action Time Critical (TCRA) Orientation that describes the steps the department will take to evaluate properties case by case to determine if a TCRA action is appropriate. The orientation document was also presented to the Advisory Group in the same month.

The orientation document applies to residential properties, schools, day care centers, nurseries, and parks within the Preliminary Investigation Area (PIA). DTSC’s objective is to ensure that timely and appropriate measures are taken to prevent exposure to sensitive populations. DTSC has advanced in the evaluation of properties for TCRA actions and has worked with the owners to program cleanings in residences and day care centers. To date, DTSC has completed:

* 4 corrective actions - in Boyle Heights
* 1 corrective action - in the east of Los Angeles
* 1 corrective action - in Maywood

The department is advancing this work in conjunction with property owners and residents to evaluate and program these actions of removal.

**ACTUALIZACION DEL PLAN DE LIMPIEZA RESIDENCIAL**

The draft of the Correction Action Plan (RAP), also known as the Cleaning Plan, and the draft Environmental Impact Report (EIR) were published for public review and comments on December 14, 2016. During the public comment period of 60 days, DTSC held three public meetings on January 11, 19 and 28, 2017. More than 100 members...
de la comunidad asistieron para expresar sus inquietudes, dar comentarios verbales y presentar comentarios por escrito sobre el borrador del plan de limpieza y el borrador de EIR.

El periodo de comentarios públicos se cerró a las 5:00 pm del miércoles 15 de febrero de 2017. DTSC está revisando los comentarios públicos y DTSC responderá por escrito a cada uno de los comentarios recibidos en un documento de Respuesta a los Comentarios antes de finalizar el Plan de Limpieza y El EIR.

DTSC recibió aproximadamente 1000 comentarios de 248 participantes en respuesta al Borrador del Plan de Limpieza y al Proyecto de EIR. Los tres comentarios recibidos mas comúnmente fueron:

* Se deben ampliar los límites de el PIA
* Los impactos a la salud deben de ser comunicados en un plan comprehensivo
* Centros comunitarios deben ser establecidos en el área PIA y dirigidos por organizaciones comunitarias y activistas locales.

ENTENDIENDO TUS RESULTADOS DEL ANALISIS DE PLOMO

Durante los meses de abril y mayo del 2017, el DTSC programó talleres en la PIA para que los residentes hayan recibido sus resultados del muestreo del suelo puedan hablar directamente con un representante de DTSC sobre esos resultados.

Hemos escuchado de los residentes en el pasado que a veces tienen dificultades para entender los informes técnicos incluidos en el paquete, por lo tanto, estamos haciendo un esfuerzo para llegar a los residentes directamente con el fin de proporcionar asistencia. Se invita a los residentes a llamar a la línea directa de DTSC para este servicio, y también tienen la oportunidad de contactarse con nosotros en persona en un sitio cercano a ellos. DTSC también se ha asociado con el Departamento de Salud Pública del Condado de Los Angeles con el fin de proporcionar información sobre los resultados de muestras de plomo en sangre. DTSC y el Condado de LA mantendrán algunas sesiones conjuntas y hablarán directamente con los residentes durante estos talleres. A continuación se proporciona la lista de horarios disponibles.

SUBJECT: GENERAL PUBLIC AMBULANCE RATES
         JULY 1, 2017 THROUGH June 30, 2018

Attached are the allowable maximum rates chargeable to the general public as of July 1, 2017, as per Section 7.16.340, Modification of Rates, of the County Ordinance (Attachment I).

The methodology utilized for annual rate adjustment was updated and implemented as of July 2016. An explanation of the revised methodology is included in the attachment.

Transportation services provided on or after July 1, 2017 may not be billed above the allowable maximum rates according to the attached Rate Schedule.

If you have any questions, please call John Telmos, Chief Prehospital Operations at (562) 347-1677.

   Executive Office
COUNTY OF LOS ANGELES
GENERAL PUBLIC AMBULANCE RATES
EFFECTIVE JULY 1, 2017

Section 7.16.280  Rate Schedule For Ambulances

A.  A ground ambulance operator shall charge no more than the following rates for one patient:

Rates Effective July 1, 2017

1. Response to a non-emergency call with equipment and personnel at an advanced life support (ALS) level $1,970.00
2. Response to an emergency 9-1-1 call with equipment and personnel at an advanced life support (ALS) level $2,108.00
3. Response to a nonemergency call with equipment and personnel at a basic life support (BLS) level $1,312.00
4. Response to an emergency 9-1-1 call with equipment and personnel at a basic life support (BLS) level $1,407.00
5. Mileage rate. Each mile or fraction thereof $19.00
6. Waiting time. For each 30-minute period or fraction thereof after the first 30 minutes of waiting time at the request of the person hiring the ambulance $111.00
7. Standby time. The base rate for the prescribed level of service and, in addition, for each 30-minute period or fraction thereof after the first 30 minutes of standby time $106.00

B. This section does not apply to a contract between the ambulance operator and the County where different rates or payment mechanisms are specified.

Section 7.16.310  Special Charges

A.  A ground ambulance operator shall charge no more than the following rates for special ancillary services:

1. Request for services after 7 PM and before 7 AM of the next day will be subject to an additional maximum charge of $22.00
2. Persons requiring oxygen, shall be subject to an additional maximum charge per tank or fraction thereof, and oxygen delivery equipment to include nasal cannula and/or oxygen mask, of $94.00
3. Neonatal transport $211.00
4. Registered nurse or respiratory therapist specialty care transport with equipment and personnel for up to 3 hours of transportation time $2,371.00
5. Registered nurse and respiratory therapist specialty care transport with equipment and personnel for up to 3 hours of transportation time $2,680.00
6. Registered Nurse and/or Respiratory Therapist per hour after the first 3 hours $130.00
7. Volume ventilator $179.00
8. Disposable medical supplies $27.00
B. Where other special services are requested or needed by any patient or authorized representative thereof, a reasonable charge commensurate with the cost of furnishing such special service may be made, provided that the ambulance operator shall file with the Director of the Department of Health Services a schedule of each special service proposed and the charge therefor, which charge shall be effective unless modified, restricted, or denied by the Director of the Department of Health Services. Special services are defined as services provided to a patient that are unique and individual to a specific patient's needs, and are performed on a limited basis.

C. Charges for special services provided to patients that are new services, but will become an industry standard, must be reviewed and a rate commensurate with the service developed prior to ambulance operators charging such rate to the general public. Such rates shall not be charged to patients until approved by the Board of Supervisors.

D. This section does not apply to a contract between an ambulance operator and the County where different rates or payment mechanisms are specified.

Section 7.16.340 Modification of Rates.

The maximum rates chargeable to the general public as set forth in Sections 7.16.280 and 7.16.310 of this chapter shall be adjusted effective July 1, 1992, and on July 1st of each year thereafter, to reflect changes in the value of the dollar. For each of the one year periods respectively beginning July 1, 1992 and July 1, 1993 such adjustments shall be made by multiplying the base amounts by the percentage change in the transportation portion of the Consumer Price Index for All Urban Consumers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February. Beginning July 1, 1994, and on each July 1 thereafter, such adjustments shall be determined by multiplying the base amounts by the average of the percentage changes of the transportation portion and of the medical portion of the Consumer Price Index for All Urban Consumers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February. Beginning July 1, 2017, and on every July 1 thereafter, such adjustments shall be determined by multiplying seventy-five (75) percent of the base amounts by the percentage change of the minimum wage change in Los Angeles County as defined in County Code Section 8.100.040 - Minimum Wage and by multiplying twenty-five (25) percent of the base amounts by the percentage change of the Medical Care line item of the Consumer Price Index for all Urban Customers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February, except for the following changes:

Registered Nurse/Respiratory Therapist per hour after the first three (3) hours adjustment shall be determined by multiplying the current charge by the percentage change of the minimum wage change in Los Angeles County as defined in County Code Section 8.100.040 - Minimum Wage: mileage adjustment shall be determined by multiplying the current charge for the percentage change of the transportation line item of the Consumer Price Index for All Urban Customers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February: and Oxygen, Disposable Medical Supplies, and a Ventilator adjustment shall be determined by multiplying the current charges by the percentage change of the Medical Care line item of the Consumer Price Index for all of the Customers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12 month period ending with the last day of the prior month of February. The result so determined shall be rounded to the nearest whole number and added or subtracted, as appropriate, to the rate. The result so determined shall be rounded to the nearest whole number and added or subtracted, as appropriate, to the rate. The Director of the Department of Health Services, or authorized designee, shall initiate implementation of these rate changes by notifying in writing each licensed private ambulance operator in Los Angeles County thereof, and any other individual or agency requesting such notification from the Director. Such notice shall be sent by first class mail no later than June 15 of the prior period.
